AFPAC III

AMERICA FIRST POLITICAL ACTION CONFERENCE 2022

After a long night of captivating speeches, monumental surprises, and rowdy approval from the boisterous crowd, Nicholas Fuentes took the stage to deliver the keynote address of his annual conference.

“ **We are the real 'America First' movement and tonight I say:**
” **WE are going to RULE this country.**

While it took 30 years for CPAC to accrue 1000 guests for an event, it took America First only 3. At the third annual AFPAC, over 1,200 people gathered at the massive Orlando World Center to hear the real America First message.

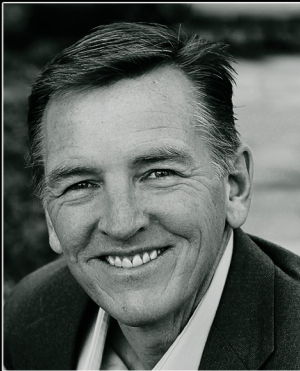

*To every RINO, every journalist,
every carjacker, gangbanger,
every illegal immigrant, every
OnlyFans whore, every mobbed-up
politician on the payroll of "some"
Middle Eastern country —*

*To the people who have looted our
wealth, addicted our youth to drugs,
thrown open our borders to invaders
from all over the world, to the corrupt
that have sold out our country and
our people:*

**WE ARE COMING
FOR YOU.**

FEATURED SPEAKERS

Just a few years removed from hosting an obscure 100-person conference in a small hotel room, **AFPAC III** was a tremendous victory lap for Nick Fuentes. The 2022 conference boasted a star-studded lineup of iconic Congressmen, active government officials, and influential conservative voices, along with over 1,200 attendees. Undeniably, the America First Political Action Conference represents the face of burgeoning, authentic Christian nationalism in America.

The Washington Post

“Greene and Gosar can attend as many Nick Fuentes conferences as their hearts desire, safe in the knowledge there's nothing they need from leadership — and nothing left for leadership to take from them.”

AXIOS

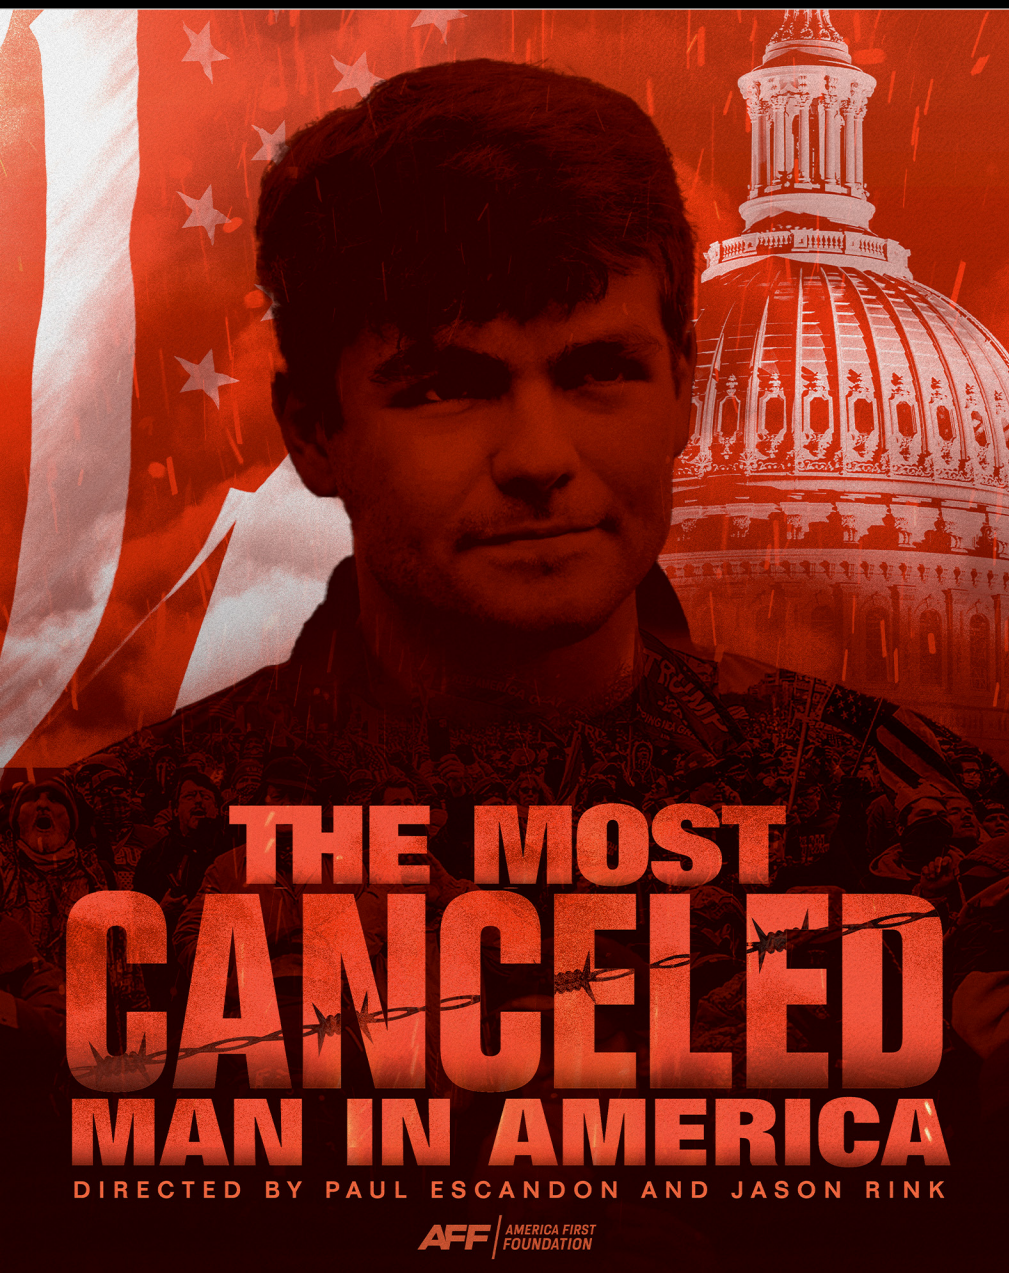

“Reps. Marjorie Taylor Greene of Georgia and Paul A. Gosar of Arizona addressed the America First Political Action Conference (AFPAC) in Orlando. The event was organized by Nicholas Fuentes.”

MSNBC

“The real vanguard of the conservative movement was at a competing adjacent event [AFPAC].”

THE MOST CANCELED MAN IN AMERICA PREMIERE

On July 14, 2022, Nicholas Fuentes premiered his world-class documentary: **The Most Canceled Man in America**. Created and directed by **Jason Rink** and **Paul Escandon**, the film broadcasts Nick's experience of unmatched political persecution. Though the film was originally set to debut at the libertarian film festival Freedom Fest in Las Vegas, Fuentes was forced to host the premiere at another venue after Freedom Fest kowtowed to public pressure and refused to screen the film. This only gave further credence to Fuentes' unassailable title: **The Most Canceled Man in America**.

*Try to actually dissent against the government in a real, meaningful way — and you'll find the same resistance and opposition from the American government that a Russian dissident would run into from the Russian government, or a Chinese dissident would face from the Chinese government. It's not much different — **and I'm living proof.***

YE X NICK

IT COULD ONLY BE GOD'S PLAN THAT TWO OF THE NATION'S GREATEST CREATIVE GENIUSES AND MOST CANCELED MEN WOULD JOIN ARMS TO SAVE AMERICA.

Ye (formerly known as Kanye West) is a world famous music and fashion icon. Like so many in America First, Ye recognizes that this country is being destroyed. Now, in the most exciting development in AF history, Ye and Nick have teamed up to fight against the mob of Jewish elites overseeing America's decline. With this relationship still developing, only one thing is for sure: the future for America First has never been brighter.
